Mr. George W. Sanders  
Civil Engineer  
PO Box 1937  
Placerville, CA 95667

Dear George,

The purpose of this letter is to inform you that the Board of the Golden West CSD took formal action at today's special meeting to accept your request for termination of your agreement for services. This agreement was executed on April 22, 2014 and was to continue through April 22, 2016. We are honoring your request for release from the agreement dated August 10, 2015.

Please know that the Board took this action with regret. We have enjoyed your observations and remarks at Board meetings, and the insight you have always provided to the Board and to individuals in our community. The experience you brought to the work of the district, especially in cooperation with our General Manager Ed White, has improved our operation at all levels. Your wealth of knowledge about county services and agencies has enriched and educated us.

It is not often that a district has the opportunity to work with someone so uniquely qualified in knowledge, experience and education as you are. Your breadth of technical skills, as well as your understanding of the political landscape, have enabled us to move forward on several important projects in the district. More importantly, you model a level of professionalism and graciousness to which we all can aspire.

Thank you for your service to the Golden West CSD. We would look forward to the opportunity to work with you in the future, and we wish you the best as you move forward.

Sincerely,

Audrey B. Keebler, Finance Officer
