Revision Date: 2/2/16

Thank you for the opportunity to present a quotation for the following services:

Table with 3 columns: Item #, Service Description, Price. Item 1: Fire Hazard Reduction - Maintenance weed control... \$4,613. Item 2: Spot treatment application for late Hot Season weeds... \$600.

Additional Information:

- Target start date will be Week 2 of February, actual start date to be established upon approval of service quote and weather patterns
• Actual pricing may vary should any of the above parameters change in the scope of work
• Invoicing of total above contracted amount will be done upon completion of initial spray application
• Any change or modification in scope will be addressed on a case-by-case basis and a separate quotation for service will be provided prior to commencement of additional work.
Revised to include verbiage for clarification of touch-up application and add the second application in the late June-early July time-frame if required

Locally owned and operated, All Green Landscape Solutions provides the highest quality professional service. Our commitment to our clients comes through not only in our low cost but also in the honesty and integrity by which we care for your lawn, tree and landscape needs

Terms & Conditions

- Prices good for 30 days from the quote date
• 10% down payment due prior to commencing work for all fixed bid landscape activities
• Payment in-full is due within 7 days of service unless otherwise specified
