NOTICE OF VIOLATION

The driveway encroachment at (**add address**), in El Dorado California was constructed without a permit and does not meet District standards. The berm that blocks water from flowing into the roadside ditch must be removed, the encroachment must be regraded and an adequate culvert installed so that water and debris will not be directed onto the district roadway thereby causing deterioration of the roadway and a traffic hazard. The attached drawing provides specifications for a proper installation. More information can be found at:

www.gwcsd.org/governance/ordinances

You may elect to perform the repairs yourself or have the work done by a licensed contractor. Your election can be indicated by checking your choice on the included form, signing, dating and returning the form. The work must be completed within 30 days.

If you disagree with this Notice of Violation you may appear at the next meeting of the GWCSD Board of Directors and show cause why the District should not order this work to be done. If so check the appropriate selection and return the form to the indicated address within 10 days. If the Board of Directors confirms this notice the work must be completed within 14 days of receipt of written notice confirming this order. The Board of Directors meets at Station 44, 6109 Quartz Dr. on (**add date, time A.M.**). Notice of appearance must be received 5 days prior to the meeting. (**add date**).

If the work is not commenced within the time specified in this notice, or is not completed in a timely manner the General Manager may, within 30 days, cause the work to be done. All costs involved to complete this project (including collection) will be invoiced to the property owner and may constitute a lien against the property. The District has the option of collecting these charges on the tax role in the same manner as property taxes.

Please respond to this notice within 10 days.
