Revision Date: **12/6/16**

Thank you for the opportunity to present a quotation for the following services:

Item #	Service Description	Price
1	Fire Hazard Reduction - Maintenance weed control including the following: <ul style="list-style-type: none"> • One weed spray application, roadway shoulders (8 centerline miles = 16 shoulder miles) - Average 6' out from edge of road and a 6' radius around all fire hydrants (approx. qty. = 60), of pre-emergent & post-emergent as understood by All Green Landscape Solutions. All quantities and distances will be spelled out in final scope of work per Ed White prior to final contract signing. • Application Review for problem areas and touch-up application in April-May time-frame if required 	\$4,613
		Included
2	Spot treatment application for late Hot Season weeds such as puncture vine and starthistle - If Required Late June - Early July timeframe	\$600

Additional Information:

- Target start date will be Week 2 of February, actual start date to be established upon approval of service quote and weather patterns
- Actual pricing may vary should any of the above parameters change in the scope of work
- Invoicing of total for each line item above contracted amount will be done upon completion of line item spray application
- Any change or modification in scope will be addressed on a case-by-case basis and a separate quotation for service will be provided prior to commencement of additional work.

Locally owned and operated, All Green Landscape Solutions provides the highest quality professional service. Our commitment to our clients comes through not only in our low cost but also in the honesty and integrity by which we care for your lawn, tree and landscape needs

Terms & Conditions

- Prices good for 30 days from the quote date
- 10% down payment due prior to commencing work for all fixed bid landscape activities
- Payment in-full is due within 7 days of service unless otherwise specified
