

Welcome

Let us introduce ourselves; we are the District Directors of the Golden West CSD. We maintain the main County Roads and spurs you drive on to get to your new home.

There is an informative website that we ask you to peruse ([link website](#)) to become familiar with where your tax dollars are used.

One of the main projects to be completed this summer is the resurfacing of Crystal Blvd. from Mica to the cul-de-sac. Others are in the works.

We ask you to become familiar with Ordinance 5 especially if you are considering enhancing your property where it might encroach on the public right-of-way. It is very important that you follow the application and permit process.

On the website you will find Agendas, Minutes, Resolutions, Ordinances, and general documents, to name a few.

Our Board Meetings are held the second Saturday of the month at firehouse #44 located on Quartz Dr. (first street off Hwy 49 and Crystal Blvd.) at 10:30 (unless otherwise noted on the agenda).

We hope to see you at our meeting and involved in your community.

Sincerely,

(list directors as they appear on agenda)
