

# Golden West Community Services District

Minutes of the Meeting, **Thursday**, February 14, 2002

Held at

El Dorado Community Church

4701 Church Street

El Dorado, Ca. 95623

The meeting was called to order by Chuck Schultz at 7:05 P.M. Board members present are Alan Sanford, Vice-President, Barbara Lea, Secretary, and Chuck Schultz, President. Residents present are Joan Hamil, Barbara Palm, Debra Roati, Walt Dalbeck, and Paul Dalbeck. Residents of Oakridge Circle.

Minutes of the January 12, 2002 meeting were read and with the corrections of spelling, the minutes were approved 3-0.

Minutes of January 16, 2002 meeting were read and approved with one correction in the second paragraph 3-0 with the reading the road policy by Mr. Dalbeck.

Minutes of January 24, 2002 meeting were read and approved 3-0.

Minutes of January 30, 2002 meeting were read and approved 3-0.

Minutes of February 4, 2002 meeting were read and with the corrections approved 3-0.

The Road Managers report was given by Mr. Sanford and hopefully the Board will be able start some of the road projects the next week.

Mr. Dalbeck had some problems with the estimated cost list submitted to the board by Mr. Reeder.

Letters to the Board were from Mr. Jaeger asking for a reason for the increase in the cost of tape copies. Ms. Lea gave a cost breakdown for the increase.

Mr. Schultz made a motion to pay \$160 to Cal-Trans for an encroachment permit to repair the road at Galena Dr and Hiway #49, second by Mr. Sanford, passed 3-0.

A resident on Mica has some concerns about an apparent motorcycle track being built in the area of Mica and Crystal Blvd.

A resident requested a reason for the increase in their parcel assessments and a letter of explanation from the county would seem appropriate. The Board will look into the situation.

There was some concern about whether the community property could be sold and why we are spending money on this issue.

Some of the residents of Oakridge Circle had questions about being able to improve their own road. Mr. Dalbeck read from the Road Policy the procedure that is in place for those residents to be able to do that.

Mr. Dalbeck read a letter of demand and presented the Board with envelopes, tapes, and stamps for copies of the special meetings.

The meeting was adjourned by Mr. Schultz.

Respectfully Submitted,

Barbara Lea, Secretary
